Yields This

Using 20 lbs of scrap bronze and copper from the restoration of the Motor Lifeboat CG36500, 14 six inch bronze plaques were made. One has been placed on the *WEBBER*, and one will be attached to the 36500. That leaves 12 available for purchase. Proceeds will go toward the maintenance of the boat, which is owned by the Orleans Historical Society. Each plaque is numbered and has a certificate of authenticity from the foundry.

Available at \$500.00 each, shipping included.
